

Sponsorship Expression of Interest Form

Here at the Lobethal Bierhaus we receive many requests for sponsorship of charities, and fundraisers for clubs, schools, sporting groups and other organisations. As a small business, finding a balance between serving both the needs of our local community and the charities we are involved with is difficult given the number of requests we have to deal with.

We will consider all written requests on the standard form, but as our sponsorship budget is finite, please don't be offended if we are unable to assist you in your cause.
